

TGB6055/T

Walk-Behind Scrubber Dryer

Numatic

Cordless convenience, with huge 60L capacity and 550mm scrub width, the TGB6055 models addresses the need for bigger capacity whilst maintaining compact design.

With the 550mm size of our TwinTec machines becoming more and more popular, we have introduced two models with 60L capacity, a 50% increase over the 40L models and available in both traction (TGB6055T) and non-traction (TGB6055) specifications.

Both models have easy-to-use controls dual brush pressure selection, built in battery charging, easy fill and easy emptying facilities, with added traction power drive for the TGB6055T model which is essential if inclines or ramps are involved.

Powerful Cleaning Results

Powerful wet pick-up with heavy-duty Polyform tanks and TwinFlo vacuum motor.

Clean, Dry & Safe Floor in Minutes

Consistent, quick and high-quality cleaning results, wherever they're needed.

Cordless Freedom, Flexibility & Safety
